

**To HARC Members: You can call or send email (Preferred for spelling reasons) for a Club Badge order yourself.**

**Here is how it will work:**

**YOU contact the Bell Company and place your own order. They will do a single badge order, but you will have postage (no tracking) of about \$3. With Badge (\$8), tax \$.72 & shipping, about \$12 total cost each, for one or two. You tell them whether pin or magnetic back. You can pay with credit card, or mail them a check.**

**If you are willing to wait, when they get an order for about 10 badges they will ship them to whomever you specify. The shipping will be about \$6 to \$10, so divided by the 10 badges you are only paying \$ 1.00 max for shipping. It would work even better if a group of you would compose a single email and do it together, but each pay for his/her own badge.**

**We have already paid for the set-up charge and they are machined one at a time, so they don't care about doing one at a time. YOU verify your name and call and that's why they prefer email to make sure you get what you want. Specify all upper or mixed case for your name and type of back, pin or magnet.**

**Bert Bagley (son of H.D. Bagley of old Ch. 19 weather days)**
